THE STATE OF NEW HAMPSHIRE

TOWN WARRANT

The polls will open from 11:00 A.M. to 7:00 P.M.

To the inhabitants of the Town of Richmond, in the County of Cheshire in said state, qualified to vote in Town Affairs;

You are hear by notified to meet at the Veterans Memorial Hall in said Richmond on Tuesday the 14th of March, next at 11:00 A.M. of the clock in the morning to act upon the
Following subjects:

1. To choose all necessary Town Officers for the year ensuing.

2. To vote by ballot to accept the 2000 revision to the Richmond Zoning Ordinance as proposed by the Richmond Planning Board in accordance with the statutes of the State of New Hampshire.

Amend the ordinance as follows:

Amendment # 1

articles 4, 5, and 6) and to require an 83 foot set back from the center line of class III and class To remove Class III roads (unmaintained state roads) as permissible locations for any building lot (VI roads if abutting a permissible building lot (article 315).

Amendment # 2

Separate cluster development requirements (new article 406) from those of apartments (article 404).

Amendment # 3

Cluster Development: To require that the overall density of dwelling units be one per three acres, but that individual lots be 1 1/2 acres with the remaining land to be owned in common to be used for recreational areas, trails and paths. Access roads to individual lots would be privately owned, would not be included in the individual lot area and would be approved by the Board of Selectmen.

Amendment # 4

Delete the current exception from the building permit requirement for structures less than 100 square feet.

Amendment # 5

Delete the requirement that plans for a building permit be drawn to scale.

Amendment # 6

Add the requirement that the distance of wells and septic tanks, from set back lines, be shown on building permit application.

Amendment # 7

Add the requirement that application for a building permit show a dimensional floor plan.

Amendment # 8

To generally amend the Special Exception provisions of Article 10, as follows:

1) 1001.1 The board, in acting on an application, shall ~~take into consideration the following criteria~~ determine that the following criteria are met:

2) 1001.1.a) The proposed site is in an appropriate location for the proposed use.

3) 1001.1.b) The proposed use will not affect the use, enjoyment or value of adjacent property. ~~An adverse effect on adjacent property is one which would limit the use of neighborhood property by causing such problems as ..~~The board will consider such problems as ..

Amendment # 9

To generally amend the provisions of Article 10 relative to Wireless Communication Facilities, as follows:

1.To increase the tower setback from "greater than its height plus 10 feet..." to "greater than the combined tower and antenna height plus 10 feet...".

2.Delete Paragraph 1001.1 g) 3: The applicant must agree to provide access to use of the tower/antenna at reasonable cost to all other applicants, where possible.

3.Delete Paragraph 1001.1 g) 4: The applicant must agree to permit, at reasonable costs, the

construction of additional antennas on the same lot where possible.

Amendment # 10

To delete Paragraph 1001.2 of Article 10, which currently permits an auxiliary building to be placed closer to an abutter's properly line than the distance required by the zoning ordinance, provided the written consent of all owners abutting the property lines is filed with the permit application.

Amendment # 11

To generally amend the provisions of Article 10 relative to Educational & Cultural Facilities and Youth Camps, as follows:

1. Correct a typographical error in Paragraph 1001.5.1 to make clear that lake frontage is 150 feet, and road and yard requirements of each district apply.

2. 1001.5.4 Any change ~~or expansion~~ in use ~~or scale of activity~~ is subject to a new Special Exception approval from the Board of Adjustment and Site Plan Review by the Planning Board.

3. Add new Paragraph 1001.5.6: Any expansion of use or scale of activity is subject to Site Plan Review by the Planning Board.

4. Add new Paragraph 1001.5.7: Prohibited activities: Outdoor lighting for use other than illumination for safety purposes.

Amendment # 12

To amend the definitions of Educational & Cultural Facilities and Youth Camps, Article 15, by deleting in both cases the requirement that these facilities be operated by not-for-profit organizations.

Amendment # 13 Proposed by the Board of Selectmen

To increase the setback requirement from an abutter's property line, where the only structure permitted is fencing, from 25 feet to 37 1/2 feet in Articles 402.2 and 502.2.

TOWN CLERK'S REPORT

Revenue collected this year in the Town clerk's office increased again, almost $8,000 over last year.

My continued thanks to Terri O'Rorke and Deb Vaughan for all their hard work. We miss having Maureen Griffin-Duverger with us as she retired in May when her daughter Scarlet was born. Congratulations Maureen and bob.

The new plate issue went quite smoothly and things should be less hectic with plates in 2000. A new law was passed concerning construction equipment and this will make some differences in those registrations for the coming year. Residents with these vehicles may want to call in advance to see what the new fees will be.

Through the Green Thumb program, Margie Wyman was a tremendous help in organizing many records and files in the office.

Police Officer, Andy Wood also made a big difference in the compliance with the dog laws. We are now licensing over 310 dogs.

The State Vital Record Bureau purchased and delivered a new computer to us for the recording and printing of vital records. This computer may also be used for some town applications upon prior permission of the state.

Respectfully submitted,

Pamela R. Goodell, Town Clerk

AUDITORS REPORT February 6, 2000

The Richmond Selectboard
Town of Richmond
Richmond NH 03470

Submitted herewith is the report on the audit and examination of the Town of Richmond accounts and records for the fiscal year ended December 31, 1999. The financial statements are an integral part of this report and must be retained by the Town clerk with other permanent town records.

SCOPE OF THE AUDIT

The examination and audit included the accounts and records of the Richmond Selectboard, Treasurer, Tax Collector, Town Clerk, Trustee of the Trust Funds, Richmond Library, and Richmond Conservation Commission.

FINANCIAL STATEMENTS

1. The Statement of Appropriations and Expenditures show a net unexpended balance of appropriations amounting $52,089.10.
2. The Statement of Estimated and Actual Revenue show a net revenue in excess of $37,863.46 over anticipated budgetary revenue.
3. The Accounts of the Town Treasurer, Town Clerk, Tax Collector have been summarized with those of the Selectboard.
4. In 1999 The Town of Richmond incurred no long term or short-term debt.
5. The Town of Richmond invests excess funds in NH Public Deposit Investment Pool.

AUDIT PROCEDURES

The records and accounts of the Town Officials responsible for the custody, receipt and disbursement of public funds, as indicated in the scope of the audit were examine and verified to the best of my knowledge and ability. Town books and papers were carefully reviewed and examined. Samples of various records and activity were pulled and verified for accuracy in all departments. Bank accounts were reviewed for both deposits and disbursements.

CERTIFICATION OF AUDIT

I hereby certify that I have examined and audited the accounts and records of the Town of Richmond, New Hampshire, for the fiscal year ended December 31, 1999. In my opinion the attached statements represent the financial position of the Town of Richmond for this period, based on budgetary compliance as voted at the annual town meeting.

APPRECIATION

I wish to thank the Richmond Selectboard for re affirming my appointment as Town Auditor. Thank you to Lynn Adams for running the various reports and instantly responding to inquiries through "email". Thanks to Pam Goodell for sharing the Laptop and Neil Moriarty for clearing a workspace.

HOME HEALTHCARE, HOSPICE & COMMUNITY SERVICES

In 1999, HCS continued to provide home care and community services to the residents of Richmond. The following information represents a projection of HCS's activities in your community in 1999. The projection is based on actual services provided from January to September 1999 and an estimate of usage during October, November and December.

Services Offered	Services Provided
Nursing	188 Visits
Physical Therapy	20 Visits
Homemaker Hours	960 Hours
Adult In-Home Care	1,087 Hours
Home Health Aide	120 Visits
Medical Social Worker	4 Visits
Speech Pathology	0 Visits
Occupational Therapy	0 Visits
Nutritionist	0 Visits

Total Unduplicated Residents Served: 22

Prenatal care, hospice services and regularly scheduled wellness clinics and child health clinics are also available to residents. Town funding partially supports these services.

SELECTMEN'S REPORT

The biggest single issue to impact our town in 1999 was the enactment by the state of the changes in the funding of public education. Their actions resulted in an almost 19% reduction in each of our property tax bills. It doesn't appear that this issue is finished yet but it surely is a positive start.

Our town continued to grow at about the same pace as the past few years. There were building permits issued for 13 new residential units, 9 additions, 6 decks or porches, 6 garages, 7 sheds, 1 barn and 10 other assorted building related activities.

Much progress was made on improving the efficiency and usefulness of the Veterans Hall. A new furnace was installed and all duct work insulated for much less than expected, insulation was blown into all exterior walls, the outside of all windows was painted and re-glazed and storm windows installed, improvements to the interior of the main entry area were completed and we now have hot water in the bathrooms. We hope to complete our plans next year by insulating the floors and ceiling and painting and repairing the front doors.

Winter road maintenance for the 1999-2000 season was awarded to 2 contractors. Each is responsible for 'half' the town roads using Route 32 as the line of separation. This seems to be workings at least as well as anticipated.

Revenues were higher than expected due to the continued harvest of timber, increased return on investments and a grant from the state intended to offset expenses incurred in implementing the new school funding tax programs. This grant money enabled us to upgrade existing computer systems, purchase the hardware and software required to network those computers housed in the Town Hall and to add over $5,000 to our General Fund.

Working with Camp TAKODAH, a campership program for Richmond residents was established. The program, an essay competition administered by our Recreational Committee, provides full camperships to both Boys and Girls sessions. The winners for 1999 were Brian McDonald and Elizabeth Bush. Congratulations to both campers and thank you to Camp TAKODAH.

We would like to take this opportunity to publicly thank all the volunteers, elected officials and town employees who give so generously of their time and talents to make Richmond such a great place to live. Without the continued dedication and commitment of all these fine people our town would not be what it is.

Respectfully submitted,

Edward C. Campbell, Chairman Dana Taylor Stan Pogorzelski

Archives Report

In 1999 many changes took place in the Richmond Archives with the expansion of funds from the Town and numerous donated gifts to be used on Special Collections. Gifts of pictures and historical information were also received. A dozen or so albums of Special Collections were conserved in acid free albums. The Women's Quaker meeting records were transcribed from the microfilm and the Quaker epistles, correspondence, denials, removals and requests for admission were copied from the microfilm and placed in acid free albums. These records show a great deal about the early settlers and life in Richmond. Cataloging continued on other documents. Shelving in the archives was replaced with stronger re-enforced shelving, and sections were added. A "Tea" for conservators was held and a open house at the Archives along with a display of our work was held at the Civil Defense Building on Bar-b-que day. We who volunteer our services are grateful to the Town and our patrons who have contributed to make it all possible. The archives is open by appointment Tuesday through Friday 9am till noon please let us know 24 hours in advance so that we can locate information that will help you when you visit us. Our work will continue in 2000. If you live in Richmond, Ruth is asking that you take a picture of yourself and family and send it to us with your name and address. This will be included in our Richmond 2000 album. Our mailing address is Richmond Archives, 105 Old Homestead Hwy, Richmond, N.H. 03470 or give to Lynn in the Town Hall. It would be great to have everyone in our collection, and thank you for adding to the history of Richmond. A special thanks to Ruth for all of the hours on her computer donated to conservation and cataloging. We hope for computer in 2000.

RICHMOND RESCUE SQUAD

The Richmond Rescue Squad is a dedicated group of volunteers who serve our town to provide an emergency medical service. We are fortunate to have these volunteers. They serve as First Responders, Emergency Medical Technicians (EMT's), and Emergency Medical Technicians intermediate (EMT-I'S-IS). Each level requires sacrifices, hours of training, dedication and skill.

In 1999, your squad responded to 19 motor vehicle accidents, 26 medical emergencies (heart attack, choking etc) and 9 trauma emergencies (falls, burns, etc). We also respond with the fire department to town fire calls just in case someone gets hurt.

If you would like to serve your town as a squad member, you will need to take a first responder course and be certified in Cardiopulmonary resuscitation (CPR). A course in CPR has been offered each month by Dick Webber 239-6114, with the books in the Richmond Library. Please contact a squad member for more information, if you are interested in joining the squad.

CONSERVATION COMMISSION

After considering proposals from the Society for the Protection of New Hampshire Forests and from the Monadnock Conservancy, the Commission voted to accept the latter's plan for a conservation easement to afford permanent protection for the Harry J. Bennett Town Forest. As authorized by the March 1998, Town Meeting, this easement must be ratified by the Board of Selectmen. The Commission will meet with the Conservancy's Land Use Specialist early in 2000 to negotiate the final wording of the easement.

The Commission welcomes its newest member, Mrs. Marie Knowlton. Her expertise and experience with Town matters will be as welcome as her energy and enthusiasm.

The Commission has entered into a working relationship with the UNH Cooperative Extension Service to oversee student conservation projects in the Town. These projects will be developed by student interns and jointly monitored by the Extension Service, MRHS staff, and the Commission.

The Richmond Historical Society has made a preliminary decision to accept responsibility for maintenance of the Quaker Cemetery and for the management of the Mary P. Hunt Memorial Fund (also known as the Quaker Cemetery Maintenance Fund). Both this fund and the cemetery itself are independent of the Town and do not involve the use of any public funds. The Commission has agreed to arrange for the removal of a large pine that poses a public danger, and to complete certain other work prior to the transfer.

The Town Forest Road is being upgraded according to the agreement between the Town and Fountain Forestry. The Commission plans additional improvements to the road, plus construction of a parking area and a gate. These projects will be completed without the need for any public appropriations.

If you wish to ensure that a treasured parcel of your land will be forever used according to your wishes, the Commission suggests that you consider a protective conservation easement. To find out more about easements-and their possible tax benefits to you- please contact The Monadnock Conservancy, P.O. Police Department Report

Once again I have the distinct pleasure of addressing the citizens of Richmond. The task of rebuilding the police department has not only been exciting but very challenging. In addition to revamping all aspects of the police department, I have been very busy answering calls for service, enforcing criminal and motor vehicle laws, and doing criminal investigations. In July, with the service of the Warwick MA Police Department, we recovered a stolen vehicle from Worcester MA on Parker Hill. In August, a subject was arrested for a traffic violation. During a consent search, cocaine was discovered in the vehicle. Subsequently the subject has been indicted by the Cheshire Grand Jury on Felony drug charges. These are only examples of the incidents that occurred in the past year. I have also had a very busy year personally. In March our son Jacob was born and in June Heidi and I purchased a new home in Fitzwilliam.

During the upcoming year, there are going to be many changes in the Richmond Police Department. The Selectmen and I have agreed that the School Crossing Guard position will be eliminated. The feeder busses have been arriving just prior to the main bus therefore discontinuing the need for the position within the department. In addition, I have submitted a budget request for the creation of a Full-time Police Chief position within the department. This will allow the Police Chief to dedicate full attention to the Town of Richmond. Working as a Communication Specialist for the State Police, I see the stress that small towns place on the State Police personnel. There have been times where there was only one State Trooper covering forty towns in Cheshire and Sullivan Counties. If that Trooper were in Sullivan County, response time would be over an hour. Violent crime is on the rise. The neighboring town of Winchester has experienced this first hand with a home invasion that left the victim hospitalized in critical condition. The city of Keene was also subject to the rise in violence with a stabbing of a Good Samaritan during the Halloween celebration. Also reflective of these issues is the proposed creation of a committee consisting of area Police Chiefs to address the rise of youth violence. Unfortunately, Richmond is not immune to any of these problems encountered in neighboring communities.

On a more upbeat note, I would like to thank the civilian members of department, Bob VanBrocklin and Jane Jillson. Jane, thank you for all of her help and dedication to the town. I wish you all the best in your new endeavors. Bob, ever faithful, never tiring, always ready at a moments notice, and still dedicated to the best

interests of the town after all these years, thank you for all your help. Additionally, I would like to thank Margie Wyman, our "Green Thumb grant" employee from the Department of Labor for all the work that you have done for the town and the police department. Also I want to thank all the other town departments and their personnel for everything. Most of all, to the citizens of Richmond, thanks again for all your support and for making Richmond a great town to be affiliated with and work in.

ROAD AGENT REPORT

March 9, closed roads for mud season. Very little mud this year.
March 23, began spring road repair, mostly potholes
April 20, started grading roads
May 6, put out calcium chloride for dust control
May 25, second shot of calcium
June 26 put out crushed gravel on the following roads: Tully, Martin, Monument and Lang for a total of 1250 cubic yards
June 29, heavy rainstorms left many trees and limbs on the roads. One small wash on Martin Road. Water across Route 119 at the entrance to Fish Hatchery Road caused some damage there.
July 1 began spreading hot top asphalt on Morgan Road.
Beavers were active on Pond Woods Road putting water across the road. Thanks Jerry for cleaning out the dam.
Wish to say "Thanks Very Much" for the many compliments received by the road crew this summer, which goes a long way in making road work worth while.

RICHMOND FIRE DEPARTMENT

Emergency responses continue to increase. 1999 saw 85 tone alerts, up from 65 in the previous year, including brush fires, motor vehicle accidents, mutual aid responses, traumas, etc. Recruitment has been good this year, easing, somewhat, the critical shortage of personnel during the weekdays. Attrition caused by people moving or job changes or family circumstances keeps the department constantly seeking people interested in serving the town.

January marked the beginning of a different ambulance service supplying our transportation needs. DiLuzio Ambulance Service of Keene offered us paramedic service for less money. We continue to train with Winchester Rescue and three of our EMT's work with them three days per week on a mutual aid basis.

Cheshire Medical Center's new legal requirements force us to buy a better defibrillator. The Rescue Squad is offering to pay for half of this costly item and is asking the taxpayers to fund the rest. The Fire Department is once again asking the town to save $20,000 towards the future purchase of a pumper to replace our 1970 GMC. Saving money beats sticker-shock or interest payments any time.

We would urge our citizens to think and act with the safety of their families and property in focus at all times. Number your mailboxes and houses so that we may find you rapidly. Minutes lost may mean lives lost or homes destroyed. Practice fire drills with your children; be careful with swimming pools and trampolines with your kids.

Many thanks to our volunteers for the many hours they donate in training and in the actual responses they make. Many thanks also to the families of our fire and rescue personnel for donating one or more of their family to the town.

CEMETERY TRUSTEES

This past year brought little excitement to our cemeteries. There were eight lots sold and three burials. New granite signs for the South Cemetery and the Earl Howard cemetery have been ordered. This should cut down on sign maintenance and replacement. Mary Beers has graciously offered to re-paint the Middletown Cemetery sign.

While the regular cleanup and mowings were accomplished on schedule, work on several planned projects fell behind as the trustees individually had a busy year. Most important of these is the proposed storage shed for South Cemetery. Since this is a capitol expense, the money remains in the bank.

LIBRARY REPORT

During 1999 the Library added 487 books, 4 books on audio cassette, and 26 videos. An additional 220 paperbacks have been added to the semi-permanent paperback collection and are exchanged for more paperbacks when the titles no longer circulate. We have a bright new flag to remind you that the Library is open. Our experimental winter hours have been a great success, and we hope to be open even more in the coming year.

Our computerization continues apace. Thanks to Dianne's and Sandy's efforts, all the Library accounts are now computerized, and we are working on cataloguing the Library's books and using our computer for ordering and processing. Although we have not yet been able to offer public internet access, we will be able to do so later this year.

Richmond is growing and we will soon have more than one thousand full-time residents. The Trustees are continuing on their long-term program to upgrade the services we provide Richmond residents to New Hampshire "Level 1" status. This will allow us full participation in the statewide interlibrary loan program.

Melissa Herman was reelected for another three-year term on the board of trustees at Town Meeting. We are grateful to Melissa for her continued support of the Library. The Library Trustees and the Librarian are very appreciative of the support the people of Richmond have given us, principally the approval of our budget, but also their generous donations of books, magazine subscriptions, videos, labor----from cleaning and raking leaves to reshelving books----and even for cash. All of these donations help us keep our expenses down and save tax dollars for all of us. Particular thanks are due to former Richmond resident Sue Laughner for her work over many years on the summer reading program, the Richmond Day booksale, and raffle. This year the summer reading program was a great success, with 68 children enrolled. Special thanks is also due to Bud Jacobson and particularly Bob Weekes, for our elegant and beautiful sign.

Dianne wishes to thank the Trustees for allowing her to take two computer classes and attend several workshops over the course of the year, even though they were held on some of the days the library was scheduled to be open. She thanks those of you who substituted for her on some of those occasions. These classes have provided Dianne with valuable computer skills which will benefit all users of the Richmond Library.

Come and pay us a visit in 2000. Get a library card if you don't already have one. Help your children to get their own cards. We are open Tuesdays from 4:30 to 8, Thursdays from 4:30 to 7, and Saturdays from 9 to 1. We continue to concentrate on good books for children and adults and are happy to offer suggestions to those who are unsure what reading adventures await them. We look forward to serving our patrons, old and new.

PLANNING BOARD REPORT

In 1999 three subdivisions were approved, creating two lots on Tully Brook Road, two lots on Barrus Road, and an 18-lot subdivision by the Blessed Sacrament Community on Tully Brook and Fay Martin Roads with conditions now being contested by applicant. This subdivision included approximately 5000 feet of new roads within the development.

The Board has prepared a number of proposed amendments to the Zoning Ordinance, which will be submitted for voter approval in March of 2000. These proposed changes primarily result from a review by our legal council where legal problems could occur in the future. There are also changes designed to clarify some issues. No changes in substance are being proposed.

The Board has begun work on revision of the 1982 Master Plan which we expect to complete in 2000.

Sincerely

For the Richmond Planning Board

TOWN FOREST FIRE WARDEN AND STATE FOREST RANGER

To aid your Forest Fire Warden, Fire Department and State Forest Ranger, contact your local Warden or Fire Department to find out if a permit is required before doing ANY outside burning. Fire permits are required for any open burning unless the ground is completely covered with snow where the burning will be done. Violations of RSA 227-L: 17, the fire permit law and the other burning laws of the State of New Hampshire are misdemeanors punishable by fines of up to $2,000 and/or a year in jail. Violators are also liable for all fire suppression costs.

There are eleven Forest Rangers who work for the New Hampshire Division of Forests and Lands, Forest Protection Bureau. During the 1999 season Forest Rangers were busy assisting communities with suppression of difficult and remote multi-day fires. Forest Rangers have also investigated numerous complaints regarding violations of the timber harvest and forest fire laws, and taken enforcement action to ensure compliance. If you have any questions regarding forest fire or timber harvest laws, please call our office at 271-2217.

There are 2400 Forest Fire Wardens and Deputy Forest Fire Wardens throughout the state. Each town has a Forest Fire Warden and several Deputy Wardens who assist the Forest Rangers with forest fire suppression, prevention, and law enforcement. The 1999 fire season was a challenging but safe year for wildland firefighters in New Hampshire. The severe drought conditions throughout the spring and summer months combined with residual effects of 1998 Ice Storm, resulted in a dramatic increase in wildland fires. In addition to burning in excess of 452 acres, 35 structures were also impacted by wildfire. Wildland fires in the urban interface is a serious concern for both landowners and firefighters. Homeowners can help protect their structures by maintaining adequate green space around them and making sure that houses are properly identified with street numbers.

The State of New Hampshire operates 15 fire towers, 2 mobile patrols and 3 contract aircraft patrols. This early detection and reports from citizen's aid in the quick response from local fire departments. This is a critical factor in controlling the size of wildland fires and keeping the loss of property and suppressions costs as low as possible.

Please contact your local fire department before doing ANY outside burning.

THE COMMUNITY KITCHEN

The Community Kitchen, Inc. is a not-for-profit, direct service agency, which provides hot meals, take home boxes containing food and personal care items, information and advocacy to low and moderate-income men, women and families with children in the Cheshire County area. Since its founding in 1983, the Kitchen has serve and/or distributed over 4 million meals, at no charge, but with donations welcome, to people in need.

An average of 500 families come to the food pantry every week. We ask simply for written proof of name, address and income. In 1999 112 unduplicated Richmond individuals were served at the panty, and 32 unduplicated Richmond households were served. 53 clients were under the age of 19, 3 were over the age of 59. The Community Kitchen provides food boxes containing approximately three days' worth of meals for each family member. 216 boxes were provided to Richmond families containing over 6,219 meals. During the holidays boxes were sent to the United Methodist Church of Richmond Food Pantry, located at the Richmond Town Hall, containing a full holiday dinner of turkey, stuffing, potatoes, vegetables, fruit and dessert for distribution to families who use this panty.

1999 EMERGENCY MANAGEMENT

1999 was a testing year for Vermont Yankee and the Town of Richmond. The Federal Emergency Management Administration exercise test the radiological response plans associated with potential accidents at Vermont Yankee. The test went very smoothly for the town of Richmond and we were given high marks by the Federal Observer. There was an outstanding turnout by both the Fire & Rescue personnel to test the effectiveness of the plan.

I would like to thank the Fire & Rescue personnel for their professionalism and hard work in making our radiological response plan workable.

In conclusion, the Civil Defense building continues to be used by many organization in town including The Planning Board, Historical Society, Conservation Commissioner and the Supervisors of the checklist.

Richmond Recreation Committee

The Richmond Recreation Committee continues to strive to bring quality recreation programs to the Town or Richmond. As the population of Richmond increases, we continue to see a rise in attendance at Recreation Committee events. Unfortunately, we are not seeing a commensurate rise in membership on the committee or in volunteers for specific events. Communication in such a small town can be difficult but we would like to invite anyone who is interested in learning more about the Recreation Committee to call either Diane Bush at 239-8164 or Suzanne Deegan at 239-8739. It is very important for potential members to come forward as the current members of the Recreation Committee have served for a number of years and may be ready to move on to other endeavors. I know that I will not be continuing on with the Recreation Committee after my current term ends.

We began 1999 with a very successful Easter Egg Hunt. The event was held at Camp Takodah and we greatly appreciate the YMCA of Cheshire County for allowing us to use the facility. They continue to be a very good neighbor for those of us who coordinate and attend Richmond Recreation Committee events. We would like to thank RoseAnn Amato for all of her assistance with this event as well. Many children came and enjoyed refreshments, egg coloring and egg hunting.

We sent gift certificates for the Toadstool Bookstore to Richmond High School graduates in honor of their graduation from Monadnock Regional High School. Monadnock Regional High School has been very helpful in identifying Richmond graduates for us.

The deadline for summer events was June 30, 1999. June 30th will be the standing deadline for summer events for future years too. We had a very good response and no one seemed to mind the deadline date at all. Camp Takodah was once again extremely helpful in providing Richmond residents with Red Cross swimming lessons and free swim during day camp. All summer events were well attended and the children were great to work with this year. We started out with few counselors on board and ended up with many helpers. We sincerely appreciate all the help we get, but it would be easier to plan for events if people could commit themselves to helping with day camp at least a month prior to the start of day camp. Any help, though is greatly appreciated. We will once again be looking for young adults between the ages of 12-16 to help with day camp this summer. A small stipend is provided to our counselors. If we can get parents and community members to volunteer, we would like to plan a trip or an overnight for children this summer. If you are interested in helping, please let either Diane or Suzanne know.

The Richmond Recreation Committee participated in Richmond Days by marching in the parade and throwing candy to children watching the

parade. We welcome anyone who wants to march with the Recreation Committee to let us know prior to the parade. We would love to include you! It is fun to watch the children (and the band) dive for candy. We also ran a small arts and crafts table during the chicken barbeque. It would have been great to have some help during this event. I almost lost my own four year old. I was trying to keep my eyes on her, her siblings and the children participating in the arts and crafts table. I may be redundant, but we do need MORE HELP!

Our Halloween Party was a great success. It started out slow, but steadily grew until we had more children than we had planned for. It was great to see so many children and parents dressed up and enjoying themselves. A special thanks goes to Dan Connell, who told some great scary stories around the campfire. We also thank all of the stores and supermarkets that helped us by donating cups and napkins and gift certificates for this event. We were assisted this year by Hannafords in Keene, Shaws, Rindge Market Basket and Bouyea Fassetts in Keene.

Our last event was our Holiday sing-a-long with a visit from Santa. This event started out slow but gained momentum too. We had help from the new Star Spangled Banner reporter who wrote a lovely article about the event. It was nice to hear everyone sing traditional holiday songs. I think it is the best part of this event for me. Santa gave every child attending a new book. There were only a few books left over this year. We thank Channez Schmidt for writing "donated by the Richmond Recreation Committee" in all of the books that were donated to the Richmond Library. This event too seemed to get a little out of control towards the end. It was held in the Veterans Hall and children began to slide across the wood floor and committee members were concerned that someone might have gotten hurt. With so few recreation committee members, we cannot supervise without the help of parents.

We look forward to another successful year of Recreation Committee events. Won't you consider helping children and young adults have positive recreational opportunities? It is easy to find what is wrong with children and youth today. We need your help to make positive difference and bring out what is best in our children. These are the children who hold the future in their hands.
